THE CANDIDACY OF GOVERNOR THROCK. We asked a property-holder the other KIGHTS OF THE ROAD. of Liverpool, from Tybes, were crought

Under this head the Houston Tologram house on Main street. "Nine thousand

of the 27th has a brief article, which we five hundred dollars," said he, "and not propose to answer, as far as we are able, anxious to sell at that." Referring to and in a spirit of fraternal kindness and the tax lists we find he turns it in, and it is accepted by the assessor, at the It has taken the press of Texas some pitiful figure of twenty-eight hundred me to realize that the move in favor dollars. Besides this, he is renting it at of Throckmorton is a genuine, old a figure which indicates a profit on the The Arrest Is Effected by W. E Cornish, ashioned case of the office seeking the tax valuation of thirty-two percent, per man. When the matter was first urged annum. This is a great evil, but i upon the distinguished gentleman, re- stops not here in its baleful effects. I membering the neglected condition of his is taken as a base for perhaps a hundred private business interests he did not other assessments. Some one swear think he could possibly suffer his name falsely when the return is made, and he be used for the office named, or should be held to a strict accountability even for re-election to congress. Some for it. If a fair assessment could be of his best and most intimate friends, had for five years in Texas, the rate of knowing the conditions by which he taxation after that would be reduced so was and is surrounded, promptly gave that its burden would not be felt. This a warm denial. From this has grown would lift a tremendous burden from the remark, so often heard, that he is the shoulders of the poor, and the sum not a candidate. Since that time the gained by the appreciation in value of desire that he should submit has the paper of the state would be a vast been so often and so courteously one. People at a distance would read expressed, in every nook and our reports, and flock here with their Tom Spotswood, the leader of the gang corner of Texas, that for him money and property, to swell our total of robbers who robbed the express car now to refuse would seem to argue a valuation to a fabulous sum. churlishness entirely foreign to the The instance we have cited is not a man, as every one who knows him well solitary one, every town has hundreds upon Mr. Cornish, and elicited from understands. Governor Throckmorton's of them, and every county has its thouife has been one of sacrifice, both to his sands. The evil of such dishonest eva- Spotswood's capture. Arriving a Al-

country and to his friends and neigh- sion is widespread. Men who are hon- len he left that place ac companied by bors. He delights in it, but claims est in every other respect apparently, nothing for it. The people, however, do not scruple to perpetrate such a car, going westward, the direction have in every way, and under all sorts traud as this upon the public. The from which the robbers were said to of circumstances, testified their confi- alarming feature in the situation is that have come in. When about eighteen dence in his judgment and statesman, while every one knows it, no one feels ship, and their full and perfect reliance like moving in the matter. Every the horse be was riding, as baving upon his watchfulness and devotion to county in Texas can show perhaps a their interests. They have spoken their dozen instances where five years since passed that way. Going on to Denton desire that he should be a candidate for a farmer had but fifty acres of groun i the governorship so flatter of unanis in cultivation, and he has now two mous that he is constraint, at some hundred and fifty. Consult the tax evening, they proceeded to the bottom cost to himself, to gratify them in this lists and you find him paying tax on of the North Fork of Eim, where they particular. Governor The kmorton is the five hundred acres at the identical remained during the night, concealed a candidate not by his are set, but by figure of five years since, while the act- by the dense undergrowth.
